# It's free and easy for doughnut lovers

WHILE most people might have the pleasures of Oktoberfest on their minds, others can look forward to the all-round sweet tastes of a doughnut fest taking place at Mt Gravatt.

Westfield Garden City's Dreamy Donuts will be going crazy on Saturday, handing out free doughnuts for five minutes, every hour on the hour for the entire day – so don't miss out.

Dreamy Donuts owner James Scurr said it was all about having a bit of fun and getting people to enjoy some of their delicious fare.

"I encourage everyone to come along and grab a

free doughnut while they're out shopping," he said.

The store is outside David Jones on the lower level.

**SWEET DEAL:** James Scurr will be tempting shoppers on Saturday with on-the-hour giveaways.
