Dreamy Donuts is a premium donut and coffee franchise managed by Foodco Group Pty Ltd.

Foodco Group (Foodco) comprises of over 230 Australian franchise business retail outlets trading through the Muffin Break™ bakery cafe franchise and Jamaica Blue™ cafe franchise.

On the 20th of May 2009 the first ever Dreamy Donuts store in Western Australia opened its doors.

The Dreamy Donuts franchise was founded in Brisbane, Queensland in April 2006 and now has 15 stores throughout Australia and New Zealand.

Dreamy Donuts donuts are made from a unique donut recipe and complemented with rich chocolates, gooey caramels, sweet custards or quality fruit and berry fillings. They are available as individual treats or can be purchased in boxes of either six or twelve for an indulgence at any time.

The Dreamy Donuts concept arrived in Perth and opened its first store in Westfield Carousel on the 20th May 2009. This store boasts all seventeen of our divine signature flavours including Traditional Glazed, Coffee Cream Tiramisu, Apple Crumble, Dark Chocolate Dream and Blueberry, as well as traditional Australian milkshakes and a premium 100% Arabica Dreamy Donuts coffee blend.

What makes it a Dream business to run:

- Great return on investment
- Easy to Run, Manage and Grow
- Offers flexible working hours
- A Fresh start and change of direction for anyone
- A work/life balance that suits everyone. More leisure and family time

But there is one benefit that is the icing on the donut... Donuts have a longer shelf life and can be sold anywhere. So you are not limited to your store. They can be easily transported and sold in high foot traffic locations such as throughout shopping centre's and at local events.

State of the art machinery and a comprehensive operations manual makes it a very simple business to run for owners and staff members. As a Franchise owner you will save on labour and food costs as the processes are so easy to complete and control yourself.
